

Intensive Low Budget Italian course in Venice

The difference between this course and the Intensive one is that in this case classes are held in the afternoon, from 4,30 pm to 8,30 pm.

For this reason it is ideal if you want to have the time to visit churches and museums, to go to the seaside at the Venice Lido, or if you want to go to the library.

Classes are held during the summer session, everyday from Monday to Friday, 4 hours a day with two different teachers. The course lasts 4 weeks (80 hours), but you can enrol also for 1, 2 or 3 weeks. Beginners can only enrol during the first week.

In each group there are maximum twelve students and the course is organised in three levels:

- Beginners
- Intermediate
- Advanced students

You can take part in the cultural programme organised by the school every month independently of your level.

All the learning material and the events of the cultural programme are included.
