

Intensive Low Budget italian course in Venice

The difference between this course and the intensive one is that in this case classes are held in the afternoon, from 4,30 pm to 8,30 pm.

For this reason it is the ideal if you want to have a lot of time to visit churches and museums or to go to the seaside at the Venice's Lido, or if you want to have time to go to the library.

Classes are held during the summer session. Everyday from Monday to Friday, 4 hours a day with two different teachers. The course lasts 4 weeks (80 hours), but you can enrol also for 1, 2 or 3 weeks. Beginners can enrol only during the first week.

In each group there are maximum twelve students and the course is designed for three levels (beginners, intermediate and advanced students) . You can participate to the cultural programme organised by the school every month independently of your level.

All the learning material and the participation to the cultural programme are included.
